## CRIMINAL BACKGROUND CHECK

Effective January 1, 2016, all new applicants who wish to obtain licensure from the Louisiana Physical Therapy Board (the "Board") are required to furnish a full set of fingerprints to facilitate a national criminal background check. The Louisiana State Police (LSP) shall report the result of the criminal background check to the Board which may use that information to determine the applicant's moral character and suitability for licensing. La R.S. 37:2413.B. authorizes the Board to conduct a criminal background check on applicants as a condition for eligibility for registration. It is the responsibility of the applicant to read and understand the instructions below to complete a criminal background check with the Louisiana Department of Public Safety and the Federal Bureau of Investigation (FBI). Criminal background reports generated for or by another agency cannot be accepted to satisfy this requirement. The Board is not permitted to issue any license until the results of the report have been received and approved.

### Instructions for Applicants

*Completion time varies from 1 to 8 weeks, depending on circumstances. Criminal history rap sheet findings will extend the completion time. Note that inadequate fingerprints and incorrect payment amount (either too much or too little) will result in delays with the Louisiana State Police (LSP).*
